WHAT PRODUCTS ARE AVAILABLE?

A range of financial products offered by many leading financial product providers are available for recommendation by us. Details of the available products we can recommend are contained in the Approved Product List (APL).

Internal and external experts provide financial product research, which is used to carefully select and maintain a list of approved products for us to select from. We conduct due diligence on external research report providers that provide us with research.

We will only recommend a product to you after considering its appropriateness to your individual objectives, financial situation and needs. The recommendations will be made after conducting an investigation into the financial products and may require us to investigate and consider a financial product which is not on the APL.

HOW DO WE ENSURE THAT THE ADVICE WE GIVE YOU SUITS YOUR NEEDS AND OBJECTIVES?

To ensure we provide advice suitable for your needs and financial circumstances, we firstly need to understand your financial situation, personal financial objectives and needs. We will follow a step-by-step process as outlined below:

- 1.) We will meet with you for an initial consultation. During this meeting we will discuss your expectations and provide you with details of the services we can offer.
- 2.) We will collect all the information we need from you, including your personal financial situation, financial objectives and needs. If you do not wish to provide the information we require, we will advise you of the possible consequences of not disclosing your full personal information and the impact on the recommendations given. This may include not being able to provide advice on the subject matter you request.
- 3.) We will help you identify your goals and may discuss your attitude towards investment risk.
- 4.) We may consider strategies and areas such as income, social security, insurance, cash and estate planning requirements. Where required we will also conduct a reasonable investigation of the financial products that may be suitable to implement the strategies as part of the recommendations. Based on these and other considerations, we will prepare and present you with a written SoA, or in some cases depending on the circumstances, an RoA. We will explain in the SoA (or RoA) the basis for the advice, and any remuneration, benefits or associations which could have influenced the advice.
Where we recommend financial products, we will provide you with a PDS or other disclosure document containing information about each product recommended, to help you make an informed decision about whether to purchase that product.
- 5.) We will discuss our recommendations with you, make any changes you require and gain your agreement to implement those recommendations.
- 6.) We will then implement those recommendations.
- 7.) We will meet with you periodically to review your financial circumstances if we agree to an ongoing advice service arrangement which includes a regular review component. If an ongoing advice service arrangement is entered into, this will be documented in your Ongoing Advice Service Arrangement Letter and/or SoA.

We will also explain to you any significant risks of the financial products and strategies which we recommend to you. If you are unclear of the risks, do not hesitate to question us further.

In certain circumstances, we may not provide you with personal advice via a SoA or RoA, as outlined above. These circumstances may include:

- 1.) Where we provide you with only general advice, such as through seminars and newsletters;
- 2.) Further advice or verbal advice – if you previously received advice recorded in a SoA, any further personal advice provided by us may be recorded in a RoA. We will not necessarily provide you with a copy of the RoA unless you request it (see below).

WHAT DOCUMENTS DO YOU GET IF WE PROVIDE FURTHER ADVICE?

Where a further review is conducted and personal advice is provided, in some circumstances we are not required to provide you with a SoA for this further advice. Where this is the case, if you have not already been provided with a RoA, you may request a copy of the RoA from us by contacting us (on any of the contact details set out in Part 2 of this Guide) for a period of seven years from when the further advice was first provided to you.

HOW CAN YOU INSTRUCT US?

You may specify how you would like to give us instructions, for example, by phone or email using any of the contact details set out in Part 2 of this Guide.
